## Cinnamon olive oil

### Product Sheet

Dressing made of extra virgin olive oil and cinnamon natural essence.

#### Composition

- 98% Extra virgin olive oil - 2% cinnamon natural essence.
- 100% natural product.
- No additives.

#### Process

The extra virgin olive oil which best matches the end product's organoleptic properties, is selected from the cellar. Under strict control of the process parameters, both products are mixed and filled while packaging manufacturing.

#### Tasting Notes

Intense cinnamon aroma with delicious wood and dried fruits nuances, with mature fruity note.

#### Consumption Suggestions

Ideal for green salads with dry fruits and cheese as well as for some desserts.

#### Presentation

14 ml single-dose container. Silver and lemon-yellow design in plastic material protecting the content. Easy opening and no-drip system.
